

Customer Mission First

Chenega Enterprise Systems & Solutions, LLC (ChESS) is an Alaska Native Owned SBA-Certified 8(a) Small Disadvantaged Business focused on providing professional services and information technology support to US Federal Agencies. ChESS is a wholly owned subsidiary of the Chenega Corporation. The backbone of our delivery model is the sophisticated Chenega corporate HR, Finance and Quality Management systems and \$200M line of credit. We apply small business operating agility and advanced resources to adopt our customer's mission and consistently deliver high quality, low risk solutions.

Past Performance

Acquisition support services are a core capability of ChESS. We employ a Director of Acquisition Management (DAM) with over 15 years of experience as a Federal contracting officer and staff that hold and utilize experience gained from numerous acquisition support certifications and training. With our robust recruiting resources and processes, we have a history of finding, qualifying, and hiring candidates with in-demand skills and can seamlessly recruit and onboard personnel. Our experience providing a wide range of support services equips us to meet Federal agencies' current and future acquisition needs.

FDA Center for Devices and Radiological Health (CDRH) Acquisition Support IDIQ (75F40119D10013; \$22M; 08/01/2019 – 07/31/24): For three task orders to date on this IDIQ, Chenega provides FDA Centers with Acquisitions and Federal Assistance Support Services coordination and management support services for several initiatives, including contract close out services. Our teams provides program offices with expert advice on acquisition and Federal assistance processes, policies, regulations, legislation and requirements. We assist programmatic staff (i.e., COR's, Center Liaison's and PM's) with liaison duties between the contracting office and designated program offices on acquisition and assistance {i.e.,

Contracts, Grants, Interagency Agreements (IAA), cooperative agreements} requirements. Chenega performs data entry, data analysis, integration of data, and report generation specifically related to Contracts, Grants, IAA's, and other related actions. We assist programmatic staff with the process of performing competitive or noncompetitive evaluation of grants proposals and/or the administration or termination, and/or closeout of grants and/or grants assistance and agreement awards. We ensure grant and cooperative agreements actions from the programmatic perspective and in accordance with the Grants Policy Administration Manual (GPAM), requisite FDA staff guides, and policies and guidance provided by OAGS that will be included in each. Chenega abides by the OMB's Guidance for Grants and Agreements. Perform competitive or non-competitive evaluation of grants proposals and/or the administration or termination, and/or closeout of grants and/or grants assistance and agreement awards.

USAID M/CIO Acquisition Support Services (72MC1019C00001; \$19,899,916.73; 2/1/ 2019 – 1/31/2023): Chenega provides expertise and solutions to enable the Management Bureau, Office of the Chief Information Officer (M/CIO) to properly execute United States Agency for International Development's (USAID) comprehensive Information Technology (IT) portfolio in compliance with the Federal Information Technology Acquisition Reform Act (FITARA). We manage the

Past Performance (cont.)

end-to-end process of Information Technology portfolio management from investment discovery, selection, planning, and execution, through Operations and Maintenance. In addition to this, we assist M/CIO in securing sufficient funds to support all IT investments necessary to support USAID's mission, developing acquisition strategies that enable the efficient acquisition of IT services, and managing vendor performance for successful outcomes. Support includes: Program Strategy Formulation, IT Portfolio Execution, Funds Management, Investment and Business Case Development, and Life-cycle Acquisition Support. We increased the effectiveness of M/CIO's internal business operations including: integration of acquisition, financial management, and program management. Established formal monthly financial close and contract review processes. Implemented an IT cost allocation model that can be leveraged for business analysis, cost recovery, and potential charge back capability.

National Nuclear Security Administration (NNSA) Acquisition Support Services (DE-NA0003496, DE-DT0012824; \$11,234,570.00; 02/01/2017 – 08/31/2022): DOE's NNSA Office of Acquisition Management (OAM) and Management and Budget (MB) provides support to the NNSA Headquarters (HQ), Field Offices, and the Albuquerque Complex for complex-wide acquisition management services through timely acquisition of goods and services, effective administration of contracts and financial assistance instruments, and active oversight of NNSA Management and Operating (M&O) Contractors. Chenega provides non-personal acquisition support services in support of OAM, HQ, and MB to include contract pre-solicitation, solicitation, post-award, administration, and closeout activities conducted by Contract Specialists (Levels I-IV) and Administrative Support Personnel (Levels I-III) in accordance with Task Order requirements.

CDC, Office of Safety, Security, and Asset Management (OSSAM) Acquisition Support Services (200-2016-89669; \$782,880.00; 06/01/2016 – 05/31/2021): Chenega provides advice and guidance for OSSAM's CORs, leaders, and other OSSAM acquisition support personnel. We train, mentor, and provide support including monthly training workshops, to the personnel who manage OSSAM's acquisition portfolio. Assets represent over 6M square feet of space that enables approximately 22,000 CDC employees and contractors to carry out the mission of the CDC.

Additional Experience

In addition to the experience above, we have completed over \$18M in acquisition support services throughout multiple Federal agencies. Further information about our comprehensive past experience in this area is available upon request.

Directed Award Contracting Option

As an ANC subsidiary and a Small Business Administration (SBA) certified 8(a) company, ChESS may accept direct awards up to \$22 million (\$100 million for Department of Defense (DoD)*) without formal justification and is not restricted by the standard 8(a) directed award ceiling (FAR 19.808-1).

A sole source procurement to ChESS under the provisions of FAR 19.805-1(b)(2) and 13 CFR 124.506(b) provides a streamlined and flexible procurement strategy.

- Directed awards are non-protestable (13 CFR 124.517)
- Reduces procurement cycle timeline
- Direct cost negotiation

* Fiscal Year (FY) 2020 National Defense Authorization Act, Section 823 raises the justification and approval (J&A) threshold to \$100,000,000 for DoD. No justification and approval is required for DoD-awarded sole-source 8(a) contracts under \$100,000,000.
