

Keeping the Customer's Mission First and Foremost

Chenega Government Mission Solutions, LLC (CGMS) is a provider of professional and information technology services to Federal Government organizations. CGMS offers unique contractual advantages to government customers by being an Alaska Native-Owned SBA Certified 8 (a) Small Disadvantaged Business, which through the experience of its management team continually works to improve upon all aspects of contract admin, financial reporting, technology innovation, and business management services. We provide professional services, program management, and information technology support to U. S. federal agencies, and are committed to helping our clients develop and sustain key technical and management competencies that lead to operational excellence.

ANC Directed Award Contracting Option

As ANC subsidiaries and a Small Business Administration (SBA) certified 8(a) companies, direct awards up to \$25 million (\$100 million for Department of Defense (DoD)*) may be accepted without formal justification and are not restricted by the normal 8(a) directed award ceiling (FAR 19.808-1). A sole source procurement to an ANC under the provisions of FAR 19.805-1(b)(2) and 13 CFR 124.506(b) provides a streamlined and flexible procurement strategy.

- Directed awards are non-protestable (13 CFR 124.517)
 - Reduces procurement cycle timelines
 - Offers transparency in cost and price negotiation

* Fiscal Year (FY) 2020 National Defense Authorization Act, Section 823 raises the justification and approval (J&A) threshold to \$100,000,000 for DoD. No justification and approval is required for DoD-awarded sole-source 8(a) contracts under \$100,000,000.
