Keeping the Customer's Mission First

Chenega Professional & Technical Services (CPTS) is an SBA-Certified 8(a) Small Disadvantaged Business and an ISO 9001:2015 registered company, providing information technology, program management, & professional services support to U.S. Federal agencies. CPTS is a standards-based organization focused on quality and delivery using lean agile methods. Our service delivery model incorporates elements of both continuous delivery and continuous improvement, optimized across the entire value stream. CPTS' quality focus is proven through our ISO 9001:2015, CMMI-SVC Level 3, and CMMI-DEV Level 3 credentials.

ANC Directed Award Contracting Option

As ANC subsidiaries and a Small Business Administration (SBA) certified 8(a) companies, direct awards up to \$25 million (\$100 million for Department of Defense (DoD)*) may be accepted without formal justification and are not restricted by the normal 8(a) directed award ceiling (FAR 19.808-1).

A sole source procurement to an ANC under the provisions of FAR 19.805-1(b)(2) and 13 CFR 124.506(b) provides a streamlined and flexible procurement strategy.

- Directed awards are non-protestable (13 CFR 124.517)
- Reduces procurement cycle timelines
- Offers transparency in cost and price negotiation

*Fiscal Year (FY) 2020 National Defense Authorization Act, Section 823 raises the justification and approval (J&A) threshold to \$100,000,000 for DoD. No justification and approval is required for DoD-awarded sole-source 8(a) contracts under \$100,000,000.
