- Technology Support
- Database Administration
- Agile Development and Coaching
- AI Governance & Federal Program Management

ANC Direct Award Contracting Option

As ANC subsidiaries and a Small Business Administration (SBA) certified 8(a) companies, direct awards up to \$25 million (\$100 million for Department of Defense (DoD)*) may be accepted without formal justification and are not restricted by the normal 8(a) direct award ceiling (FAR 19.808-1). A sole source procurement to an ANC under the provisions of FAR 19.805-1(b)(2) and 13 CFR 124.506(b) provides a streamlined and flexible procurement strategy.

- Direct awards are non-protestable (13 CFR 124.517)
- Reduces procurement cycle timelines
- Offers transparency in cost and price negotiation

* Fiscal Year (FY) 2020 National Defense Authorization Act, Section 823 raises the justification and approval (J&A) threshold to \$100,000,000 for DoD. No justification and approval is required for DoD-awarded sole-source 8(a) contracts under \$100,000,000.

A subsidiary of the Chenega Corporation Professional Services Strategic Business Unit

Providing the experience and expertise to solve our customers' most difficult challenges

The Professional Services Strategic Business Unit (PSSBU) is a shared services division of the Chenega Corporation specializing in providing information technology (IT), health and scientific, engineering and technical support, professional management and administrative services to Federal agencies. The PSSBU subsidiary companies include **Chenega Services & Federal Solutions, LLC**, **Time Solutions, LLC (TSLLC)**, **Chenega Professional & Technical Services, LLC (CPTS)**, **Chenega Enterprise Systems & Solutions, LLC (ChESS)**, and **Eagle One Solutions, Inc. (EOSi)**. The PSSBU provides each company shared support, including HR, recruiting, contracting, accounting, technology strategy and security, allowing each company to focus on their customers in their day to day operations. Our dedication to providing quality support includes ITIL, PMBOK, CMMI, ISO 20000:2011 and ISO 9001:2018 certified processes. The Chenega Corporation is one of the largest Alaska Native Corporation (ANC) in terms of Federal contracting revenue, with more than 7,500 employees and a \$200M line of credit.
